### **EARLY ON THE FIRST DAY OF THE WEEK**

Today we celebrate the highpoint of the Christian Calendar, Easter. The Gospel tells us that Mary Magdalen is the first witness to the Resurrection, she is the first to bring this *Good News* to others, the first preacher of the Resurrection. 'It was still dark...' when Mary went to the tomb but it was also the '*first day of the week*', a new beginning, like the first warm day of spring. We can all recall situations in our lives which seemed so dark, where we felt that there was no light at the end of the tunnel. But the Easter story shows us that transformation is always possible. There comes a point during dark times that we realise something has changed, the stone has rolled away.

Let the linen wrappings in this text today represent all that keeps us from being free; all that keeps us captive, emotionally, physically, spiritually, in our broken relationships and struggling communities. As we continue to deal with the effects of the COVID-19 crisis, many people are longing for this situation to ease, to lift. The Easter Gospel shows us that even the most difficult situations can bring transformation. A question we can ask today is, where have we seen the Risen Christ during this crisis? In the frontline workers, in good neighbours and friends. Where are we being called to share Easter joy with others?

Jesus you are with us. Keep us ever mindful of how you are part of our lives in a deep and profound way.

Surprise us with a touch of your love in places where never thought that we would find you. (Joyce Rupp)

### **TROCAIRE BOXES:**

The focus of Trócaire Lenten campaign this year are the peoples of South Sudan. The two images on the Trócaire Box are of two families from that area. Apart from trying to cope with Covid-19 the people are surviving great poverty and the consequences of a brutal war. It is a particularly grim situation in which our contributions can achieve a great deal.

**Please return your Trócaire Box within the next week**
