IN THE ORDINARY

Jesus avoids attention after his work of healing the deaf man. He's not a quarter hour celebrity. He didn't want admiration, he wanted love to flow into and out of ourselves - doing good quietly. The best of things are ordinary. In the ordinary Jesus worked the miracle and in the ordinary we will hear new things.

The theologian Karl Rahner SJ was once asked whether he believed in miracles. His answer: "I don't believe in them, I rely on them to get through each day!" Indeed, miracles are always present within our lives. Miracles of birth, of love, and hope.

The ways people get over hurts and they forgive.

Someone giving a lot from the little they have.

It is the world of mystery – of little miracles.

A miracle is not against nature – it is something that causes faith and love.

The first reading today sees more in the desert than a wilderness and flowers: we see and hear beyond created things to the healing work and word of the creator. Maybe we might listen to new voices about God and life in our conversations - I heard recently a young person talking about the suicide of a friend and how this brought him to realise how much we really need God. His chat strengthened my faith.

Can we recover the simplicity of life with the small miracles that get us through every day? i.e. like a sudden burst of sunrays in the midst of trees. All of us have something new to say of God and of life. And we get more than we knew out of the simplicity of life.

*Think today of something small that can remind you
of something deeper and of God.
Praise to you O lord for simple surprises in my life!*

Donal Neary SJ

Returning to Sunday Mass

The widespread vaccination programme is giving more parishioners confidence to return to the celebration of Sunday Mass. Some however are a little nervous of being in the Church and sometimes there may not be sufficient seating given the requirement for social distancing. Now that Liturgies from both our Churches are available on web-cam and many people have smart phones, it is suggested that some might be more comfortable remaining in their cars and viewing the Mass on line on their phone. At the appropriate time a Minister of the Eucharist will distribute Holy Communion at the Church door, after which the family or individuals could return to their car to make their thanksgiving and receive the Closing prayers and blessing.

This arrangement is most suitable for Mater Dei Church as the signal is stronger here than at St Joseph's. An imaginative proposal to overcome the limitations of this pandemic.

THE CELEBRATION OF PUBLIC MASS

We will need to continue with the practice of booking seats for each Mass. **(There is no longer need to book for the 12noon Mass in St Joseph's as there is plenty of room.)** Please telephone the Parish Office on Thursday or Friday only between 10am -12noon.

We will also need teams of parishioners to greet and seat those who attend. These Covid stewards' also help sanitize the church after Mass.

Mass cannot be provided unless stewards are present. In particular we need volunteers for the 12 noon Mass in St Joseph's. If you would be willing help please contact the parish office as soon as possible this week.

Please be aware that recently revised health regulations require Facemasks to be worn while entering and leaving the Church and during movement within the church, such as when going forward to receive Holy Communion. The wearing of a facemask while seated however, is no longer mandatory, though you are strongly encouraged to do so
